

IAI Meeting Notes

Chuck calls the meeting at 1:01PM – 1:31PM.

Chuck asks Clever about the PP and Clever has received more information from Emily and is waiting for one more presenter. Jessica was looking for an Axis slide and a slide to add for Tom. Do we need a title slide for Tom? Chuck says to name it AI/Interviewing.

Jessica asks David how many invites we are at right now and David says we are at 43.

David and Taylor spoke about advertising the meeting on LinkedIn and other socials. Jessica was going to try to send out an invite into another groups LinkedIn.

Do we need to prepare something else in case the tour doesn't last as long? We may just use any additional time to network and work in restrooms.

David Lund has an interactive round table that can be used for 1 to 2 hours.

Jessica is going to provide left over drinks.

Chuck is asking Axis about the lunch they are sponsoring and the details.

November 4th – Oklahoma City at Hobby Lobby will be one of our meeting places this year.

Chuck wants to know if there is a possibility of doing an IAI meeting on the back of NRF Protect at The Gaylord or somewhere around the facility. Chuck is going to speak to some people at LRPC. Chuck also asked David Lund to speak at that meeting.

Should we do the IAI meeting on the back of NRF or just go forward with Apple? We will go for the Apple HQ for the next meeting.

Jessica is going to step away from her position. David Strom will take 1st chair. Taylor Singleton will take over Marketing/Event Planning. So that will leave us with a Secretary position open. This will take place on April 1st.
