Jay said, as of today's date and time, 56 persons have applied to attend the Midwest Chapter Meeting. Jay also offered to send another marketing blast by the end of the weekend.

(1 CFI Scholarship will be rewarded for over 50 attendees. 2 Scholarships will be rewarded if attendance is over 100.)

The group spoke of running attendance registrations, tracking of CEU's, and receipt of certificates thru our LMS System, for tracking purposes. This could possibly be done through a Zoom link, although this may get complicated with current signups through Eventbrite.

Jay offered to send a current survey to our group and requests feedback on changes or additional information needed.

At the Chapter Meeting:

Jay will welcome the group and introduction to the board,

Stefanie will speak of the chapter mission,

Carrie will give a presentation re: Toys for Tots,

Deanna is to discuss the executive board process,

Emily will discuss the new IAI Website,

Tony will speak of The Evolution of Conflict De-escalation, and follow up with a segment allowing for his response to questions from the attendees.

**Re: Toys for Tots Charity Event.**

Wayne informed the board that the organization Toys for Tots is having a major golf outing, fundraising event, to be held on October 16, 2020 in Elburn, Illinois.

Deanna and Carrie spoke of our intentions relating to Toys for Tots.  
Warehouse, on-site Volunteers? Donations?, or other?

Stefanie suggested conducting a survey or poll at the chapter meeting. Stefanie will look into doing a poll on Zoom.

The board discussed if we were going to seek donations through Toys for Tots or through IAI. Wayne will speak with Merc and accounting re: which is better?

Jay suggested a link to IAI.

The board agreed upon December 9, 2020, 11:00 am until noon for attendance at the Toys for Tots warehouse.

Jay spoke of a special topic of interest for future discussion. He has spoken to multiple Directors of Security at shopping malls regarding an increase in unusual, and unlawful activities.
